### **REMARKS**

As a preliminary matter, Applicant's representative would like to thank the Examiner and the Examiner's Supervisor for courtesies extended in the telephone conferences conducted between March 18, 2005 and March 21, 2005.

An Examiner's Interview Summary Record (PTOL-413) was provided by the Examiner via facsimile on March 21, 2005.

Applicant submits this Statement to comply with the requirements of M.P.E.P. § 713.04.

In the telephone conferences, the following was discussed:

**A. Identification of claims discussed:**

Allowable claims 1-5 and 8-12.

**B. Brief Identification of principal arguments:**

Applicant's representative contacted the Examiner to confirm the status of the Supplemental Amendment, which was filed on January 21, 2005, which placed the application in condition for allowance, and also to confirm that the Notice of Allowance would be issued prior to the end of the six month statutory period for replying to the final Office Action of September 21, 2004.

**C. Results of the Interview:**

The Examiner stated that the Amendment filed on January 21, 2005 was received by the U.S. Patent Office. However, the Examiner stated that the case had not yet been forwarded/docketed to the Examiner for action. As requested by Applicant's representative, the Examiner kindly issued a facsimile copy of an Examiner's Interview Summary Record (PTOL-413) on March 18, 2005 to confirm this for the record.

Also, as requested by Applicant's representative, the Examiner kindly provided a facsimile copy of the Notice of Allowability on March 21, 2005 to confirm that the application was in condition for allowance. Applicant notes that a Notice of Allowance was mailed on March 28, 2005 and has now been received by Applicant.

**D. Conclusion:**

Applicant's representative again would like to thank the Examiner and the Examiner's Supervisor for their prompt and courteous response to this matter.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, the Commissioner is hereby authorized to charge any deficiency in fees or to credit any overpayment in fees to Attorney's Deposit Account No. 50-0481.

Respectfully Submitted,
